Headline: **Pennsylvania Department of Education (PDE) chooses netTrekker d.i.!**

NetTrekker d.i. is the award-winning search engine for schools with standards-based online resources that assist teachers and school librarians as they differentiate their instruction to help every child achieve.

We're pleased to announce the recent purchase of netTrekker d.i. for the staff, students and parents of Pennsylvania to use. Here are just a few reasons why netTrekker d.i. was chosen:

- **Makes searching the Internet safe for students:** All netTrekker d.i. websites and images have been selected and evaluated by educators so students receive ONLY safe, relevant results and school-friendly images every time they use the Internet
- **Searching is fast and easy:** netTrekker d.i. contains over 180,000 educator-selected online resources that are organized around the K-12 curricula and by grade level so searching is logical and easy
- **Designed for different learning styles:** netTrekker d.i. provides resources that work for all members of our school community including general-education, ESL/ELL, and gifted students, students working below or above grade level, having reading challenges, special needs, and more
- **Customized resources for English Language Learners:** netTrekker d.i. also includes an entire section devoted to ELL students and to teaching ESL
- **Helps our district integrate technology into every classroom:** netTrekker d.i. is an easy to use technology tool with searching options for beginner and advanced users so all our students and teachers can benefit from the educational resources available on the Internet every day

We're very excited about the learning opportunities that netTrekker d.i. provides the schools and students in Pennsylvania. netTrekker d.i. will help our teachers find safe, educator-selected online resources for each child's learning needs and style.
