

## Summer Best Practice

Make sure your students get the most out of your netTrekker subscription all SUMMER long!

### 1 Use your netTrekker Login for SUMMER access

or create a new Login by clicking the **Register** link at <http://school.netTrekker.com>

Forgot your password  
[Register](#)

Username:

Password:

*Generic/shared logins should be locked by the Administrator to ensure the password and preferences cannot be changed. netTrekker access information should not be posted on school or district websites per subscription guidelines.*

### 2 Share the SUMMER Login with your students, parents, & staff

Notify parents using our easy-to-customize Parent Letter template (available in English and Spanish).

Advertise netTrekker summer access with our School/Community Newsletter template.

Cut out the bookmark to the right and send it home with students as a reminder to continue accessing netTrekker over the summer.

To learn more, please visit the netTrekker d.i. Help section and look under **Getting the Word Out**.

### SAFE SUMMER ACCESS to netTrekker d.i. for STUDENTS + PARENTS
